B.Tech	Indian Institute of Technology, Indore	9.67 (Current)	2020-Present
Intermediate - TSBIE	Sri Chaitanya Junior College, Hyderabad	98.1%	2018-2020
CBSE - 10th Board	D.A.V. Public School, Hyderabad	95.8%	2017-2018

PROJECTS

- **Railway Database Management System** *Sep. 2021 - Nov. 2021*
  Database and Information System Course   https://github.com/SiddarthaCh/Railway-Management-System
  – This is a collaborative project where I collaborated with three other classmates on this project. It was completed as part of a course project. We developed a static Railway Management System that allows us to enquire about trains, seat availability, train status, and food services.
  – The tech stacks that were used to create this website are Python (Flask), HTML, CSS, MySQL

- **News Article Summarizer** *Jun. 2021 - Aug. 2021*
  IITISoC'21 Project   https://github.com/snehithchinta/ML3-News-Article-Summarizer
  – This was a group project in which I collaborated with three other students under the supervision of our mentors. We've developed a model that takes articles written in Russian, Turkish, and English and summaries them in English under the appropriate topic. The majority of the work was done with pre-trained models.
  – Tech stack used is Python.

- **Bus Pass System** *Jan. 2022 - Apr. 2022*
  Software Engineering Project   https://github.com/ujjwalhendwe/Bus-Pass-System
  – This was a collaborative course project in which I worked with four other students. We've developed a bus pass model that helps the user to book bus tickets and apply for bus pass online. He/she can count on the website for any bus related information.
  – Tech stack used is Python (Django), HTML, CSS, MySQL and Javascript.

TECHNICAL SKILLS

- **Programming**: Python, C++
- **Database**: MySQL
- **Web Application**: HTML, CSS, Flask, Django

EXTRACURRICULAR ACTIVITIES AND CLUBS

- **Core Member - Projects Team**, The Cynaptics Club, IIT Indore   *August 2021 - present*
- **Coordinator**, The Berserkers, Chess club, IIT Indore   *January 2021 - present*
- **Member - Opportunities Team**, Students' International Affairs Cell, IIT Indore   *February 2022 - present*
